About the course
This FREE live online two-part CME will focus on Child and Adolescent HEDIS® measures. In this activity participants will receive an overview of the measures and coding practices, and discuss conversational approaches and best practices for improving performance.

Objectives
At the end of this educational activity, attendees will be able to:
- Define HEDIS® measures for children and adolescents
- Consider and apply performance improvement methodologies
- Share best practices on HEDIS® coding and quality improvement with other providers and clinic staff

Target Audience
Primary Care Physicians, PAs, ARNPs associated nursing staff and patient care teams.

Faculty
John Dunn, MD, Pediatrician, Assistant Medical Director of Preventive Care at Group Health, CDC Childhood Immunization Champion
Kristine Moore, RN, Clinical Improvement & Prevention Specialist

Register
Register at https://goo.gl/ghNsnL.
Registration/attendance information is used to grant CME credit.
